STATINTL MEMORANDUM FOR:

Chairman, Computer Security Subcommittee

STATINTL FROM:

Executive Secretary

SUBJECT: COMIREX Automated Management System (CAMS)

The CIA member of the Computer Security Subcommittee has been tasked by the Chairman, COMIREX to assess the security posture of CAMS, and by the Program Manager for the follow-on system to provide security requirements.

It appears to us that there is a community participation role in this exercise for your Subcommittee. It is proposed that you formalize this activity thereby giving him a community charter. He in turn will report findings to you and, as appropriate, to your Subcommittee.

No other action is requested of you at this time.   **STATINTL**
